ELEMENTS OF THE OFFENSE:

The essential elements which must be proved beyond a reasonable doubt in order to establish the offenses charged in Count One of the Indictment are as follows:

First: That two or more persons, directly or indirectly, reached an agreement to distribute or possess with intent to distribute a controlled substance, as charged in the indictment;

Second: That the defendant knew of the unlawful purpose of the agreement;

Third: That the defendant joined in the agreement willfully, that is, with the intent to further its unlawful purpose; and

Fourth: That the overall scope of the conspiracy involved at least 50 grams of a mixture or substance containing a detectable amount of methamphetamine, a Schedule II controlled substance.

STIPULATED FACTS:

Since approximately 2014, at least seven individuals received multi-ounce quantities of methamphetamine on consignment from Chris Nicholson and his girlfriend. In turn, those individuals distributed methamphetamine to various customers in the Fort Worth, Arlington, and Wichita Falls, Texas areas, returning to Chris Nicholson and his girlfriend for additional methamphetamine. In this manner, Chris Nicholson conspired with others to possess with intent to distribute more than 50 grams of methamphetamine.
